

ZIPHIUS VACCINES

Medical / Technical Writer For Research and Development Projects

Location: Gent/Oostkamp, Belgium

Job description

As a Medical Writer at Ziphius Vaccines, you will be working in a young and dynamic environment where collaboration and teamwork are encouraged.

You will have responsibility for:

- Scientific and technical writing to support our development projects
- Preparation of a wide range of clinical and regulatory documents
- The documents must be of high quality in terms of scientific content, clarity, accuracy, format and consistency, and must adhere to regulatory guidelines and company styles and processes
- Perform literature searches/reviews as necessary to obtain background information and training for the development of documents
- Perform Quality Control checks of documents

Qualifications

- You have a Master's degree or PhD in the life sciences
- You are familiar with searching literature in scientific databases
- Ability to read, analyze, and interpret regulations, standards, guidance documents, test reports, clinical and medical terminology, and complex documents
- Relevant experience will be considered an advantage, a pronounced passion for writing is key
- Excellent Dutch and English writing skills
- You are a fast learner, flexible, meticulous and quality-minded
- Effective interpersonal skills, able to think and act proactively, facilitate effective teamwork
- You enjoy and are able to work independently within your area of responsibilities

What we have to offer

The position is full-time. We offer a market-compliant salary, including an attractive package of fringe benefits. We offer you a challenging career in a dynamic and fast-growing company, including opportunities for strong personal development within a multidisciplinary environment.

Why Ziphius Vaccines?

Ziphius Vaccines' team consists of a well-balanced, diverse group of people with complementary skills. The team members are united by their common passion for health care and entrepreneurship. Ziphius has a culture of creativity and innovation, supported by its values that include Transparency, Respect, Courage and Integrity.
